MB-Approval Certificate

MB-Approval for: Engine Oil "Mannol TS-5 UHPD 10W40 "

Reblend to OS181109, Lubrizol Limited
MB-BeVo-Sheet: 229.1 + 228.3, Oil-Code: OS181109, SAE-Grade: 10W-40
Change of Product Name - Reblend

Dear Sir or Madam,

We have examined the changes made to the previously approved operating fluid shown above. The operating fluid complies with the requirements of the Mercedes-Benz Specifications for Operating Fluids, sheet 229.1 + 228.3 and is therefore re-approved for use in Mercedes-Benz vehicles and assemblies. The application range is shown and explained on the sheet 223.2. Other requirements, e.g. SAE grades, capacities, change intervals etc. must also be observed.

MB-Approval is valid with date of this certificate. The validity period is limited to the validity period of the above mentioned original and will expire in 5 years at the latest. New approvals have to be applied for in good time.

A 2 litre sample of each formulation (including all SAE grade variants) must be retained at all times, and can be called upon by Daimler AG at any given moment. We will advise the address.

The MB-Approval dated 18.01.2008 becomes invalid.

Sincerely
Daimler AG

i.V. W. Schmid

i.V. Dr. Keppeler
